PROFESSIONAL SUMMARY

Motivated and detail-oriented Full Stack Web Developer with hands-on experience in building modern web applications using React.js, Node.js, MongoDB, and MySQL. Strong foundation in software testing, Java backend development, and QA methodologies. Passionate about continuous learning, solving complex problems, and delivering clean, scalable code. Background in engineering and field operations brings a practical, team-driven mindset to tech projects.

CORE COMPETENCIES

Full Stack Development(MERN)	Manual & Automated Testing	Debugging & Troubleshooting
Responsive UI Design	Agile Methodologies	Version Control(Git/GitHub)
RESTful API Integration	Object-Oriented Programming	Collaboration & Communication

CAREER PROGRESSION

EvangadiTech July 2022 - Present

Full Stack Developer & QA Trainee

- Designed and implemented full-stack web applications using React, Node.js, and SQL.
- Built RESTful APIs and integrated database logic with MySQL and MongoDB.
- Practiced manual and automated software testing using tools like Cypress, Postman, and TestLink.
- Tracked bugs and sprint progress using JIRA in an agile team environment.
- Contributed to real-world projects and collaborated with developers to debug and optimize apps.

Revature Pro Aug 2024 - Jan 2025

Java Developer Training

- Trained in Java, Spring Boot, JDBC, REST APIs, and testing with JUnit
- Built Java-based backend projects with integrated database logic and layered architecture

Liberty Energy Oct 2022 - Present

Equipment Operator III

- Operate and maintain hydraulic fracturing equipment in high-pressure oilfield environments.
 - Ensure full compliance with HSE regulations and industry safety standards.
 - Monitor, inspect, and troubleshoot equipment to optimize performance.
 - Collaborate with teams to execute frac operations efficiently.
 - Mentor and support junior operators in equipment operation and safety protocols.
-

EDUCATION & CERTIFICATIONS

Bachelor of Science in Mechanical Engineering

Texas Tech University

Fullstack Web Application Development

Evangadi INC

Software Testing

Evangadi INC

Java Developer Program

Revature Pro

TECHNICAL SKILLS
